The teacher can read words aloud or the student can read record them. Listen to one word at a time. Write one letter in each column, all on the same line.

1. Listen carefully to the beginning sound. Write it in the 'B' column.
2. Listen carefully to the middle sound. Write it in the 'M' column.
3. Listen carefully to the end sound. Write it in the 'E' column.
4. Write and say the whole word. Use joined up writing.
